Soggy semolina, lumpy mashed potato and leathery liver are memories of many people's school meal. Last Wednesday, the Deputy Mayor of Newham, joined Ranelagh to celebrate our amazing school meals. Staff and children ran, skipped and jumped as they demonstrated the energy that school meals create. There was an amazing scientist who demonstrated how carbon dioxide is denser than oxygen. "The balloon filled with carbon dioxide fell to the ground quickly" remarked Jamilson from Year 4, our keen scientific observer. The children were wowed when they saw that lemons attached to electric wires caused a bulb to light up. "This is why we need to eat fruit," said Franklyn from Year 4, "as this is the energy we get from it."

The whole school were treated to beans and the many ways in which you can eat them – with Tortilla chips being the most popular. The nutritional value of beans is immense- 3 heaped tablespoons of beans is one of your 5-a-day. The children also enjoyed a menu that included the Nations Favourite School Meal - Chicken curry, fish finger sandwich and, of course, Spaghetti Bolognese and for pudding - chocolate cake and chocolate custard.

It was a brilliant lunch time and brought home that fact that school meals are of vital importance to every child's health and wellbeing.

Odd Socks Day

Last Monday, children launched Anti-Bullying week by coming into school wearing an odd pair of socks. The odd socks represented that each child is unique and special in their own way. A year 1 child stated, 'We wore odd socks because we are all different and that makes us special'.

Throughout the term, children will be taking part in lessons which explore the issues around bullying. Don't forget to ask your children what they have learnt in class.

Children in Need 2018

Spotted Day

We had great fun holding a Spotted Day. Last Friday, we wore our spotty clothes to raise money for our chosen charity 'Children in Need' The children learnt about what the charity does in

their classes and key stage assemblies. Being part of such a fundraising event enabled children to understand how they can help and make a difference to people who are less fortunate and in need. Thank you so much for your support and generous donations and we look forward to totalling the amount raised.
