Autumn Term S.V0104

Friday 1st February 2019

Bridging The Gap

This term, Year 4 are learning how to build bridges and buildings. Luckily enough, on Thursday 24th January, many children from Year 4 got the chance to build a life sized cable bridge in the Queen Elizabeth Park.

The children got to attend a workshop run by the Balfour Beatty, who build many bridges and roads in Britain and the rest of the world. Engineers from this company helped the children to build, and then test out, a bridge.

Remembering Victims of Holocausts

Five Year 6 pupils represented Ranelagh at The Holocaust Memorial event in Newham Town Hall on Friday. The children were fortunate enough to hear from Holocaust survivor Polish-born Harry Olmer BEM, who gave a powerful recount of his experiences in 5 different concentration camps. The 91-year-old was only 12 when the Second World War started.

He emphasised the need for children to have an understanding of what can happen if we do not stand up to racism, prejudice or hate against those that are different by race or religion. "This is a message that is relayed in every aspect of our Curriculum. The children were moved and immensely respectful," stated Mr Hurrell, the Ranelagh Curriculum Lead.
