Spring Term S.V0109

Friday 29th March 2019

A message from our Chair- James Malcolm

Hello, I'm James. I have been involved with Ranelagh Primary School for a number of years now as a school governor. So I've seen many changes and improvements.

I would like to take this opportunity to thank all of the committed staff at Ranelagh, who make it the place that it is today. And to thank all of the parents who take an active role within the school through the Parent Teacher Association (PTA).

I am delighted that your engagement with the school has been recognised with the recent Leading Parent Partnership Award.

I hope that your children are thriving at Ranelagh. And that they always strive to be the best that they can be.

The children are doing really well with their progress and attainment. We see this in the information and data provided by the school to the Local Advisory Board (LAB) covering all groups of children at the school. Well done to the children and their teachers for this achievement.

Part of our role in the LAB is to ensure that if any groups of children or individuals are doing less well, they are identified quickly so that changes can be implemented. It is also important that the highest attainers continue to be stretched in order to achieve their potential.

You will have seen that the planned building works have now started in order to enlarge the school in the anticipation of additional families moving into the area in the future. We hope that this will further improve the school environment and have a positive impact.

Over the next few months, we will introduce more individuals who are involved in the LAB using this newsletter. If there is anything you would like to discuss with the LAB, please let the school office know and we will be in touch with you.

LAB chair, Ranelagh Primary School
