Year 4 Visit a Desert climate

Year 4s visited Kew Gardens this week as part of their learning in geography and science. The children's current enquiry is 'What makes a desert a desert?'. The classes visited temperate and desert biomes, experiencing the subtle changes in temperature. They observed a variety of plants and even saw some of the animals that call these habitats home. "We saw a lizard, different fish and some colourful frogs. They looked poisonous" said Chanelle from 4T3.

Year 4s also explored the very exciting Children's Garden, designed with natural materials and set amongst the trees and gardens. A perfect setting for learning more about plants and water systems through play!

Introducing Mr Murdoch - Our New Music Teacher

Ranelagh would like to welcome its newest member of staff – Mr Craig Murdoch. Mr Murdoch is the new Music teacher. Craig has had a career steeped in music (as you can see from the photos) and was a music teachers for Newham's Every Child A Musician programme, teaching, composing and conducting music.

Conducting a choir

Craig will be teaching Ukulele in Year 3 and 4, Guitar in Year 5 and percussion in Key Stage 1. He will be with us every Thursday and Friday.

We're really happy to have Mr Murdoch on board.
