Autumn Term S.V01144

Friday 1st November 2019

Our Voices will be heard

Ranelagh Playground was a cacophony of sound as the children sang their protest songs to raise awareness of what the local community could do to make our planet sustainable. As one of Year 6 posters warned –There is no Planet B. It was our annual Action Project Event. Every Autumn term, the children learn geography skills and develop global awareness. They learn about different areas of the world- aquatic, desert and forest biomes and find out how humans have impacted on the area and what they can do to improve these areas. *(more information and photos on the website)*
