Keeping Ourselves and Others Safe

Ranelagh's aims are that children are good citizens and make valuable contributions to society. Last Friday, Year 5 travelled to the iconic Tate and Lyle Factory to take part in the Junior Citizen event.

This is organised throughout Newham by our very own Mrs Lawrenson. The children were taught many things about keeping themselves and others safe.

"We learned so much – stranger danger; fire safety rules; to stay behind the yellow line on the tube and when on escalators to stay on the right and hold on tight," said Jamilson in 5T9.

TTLT Debate

Last Tuesday, 13 children from the Ranelagh debating club went to Curwen to participate in the TTLT debate, the motion was Children should buy their own stationery for school. They were in two teams and joined in with two debates. Most of the children had never debated against children from other schools before. They were very excited about it, before and after.
