Ranelagh's School Council Meet the Leadership Team - Virtually

On Thursday, Ranelagh's new school council met with Mrs Lawrenson, Miss Welburn, Mrs DeVilliers and Mrs Patel to introduce themselves and to discuss the exciting action projects they have in store this year.

The School Council is composed of new and old members due to 2019-2020 being cut short by the current pandemic. The projects that are in store are Physical and Mental Wellbeing in the community and Education - empowering people. One thing that we all agreed on was that the Key Stage 2 playground needs to be as amazing as the new nursery playground and Park in the Red Pitch. Mrs Lawrenson has asked the school council to encourage all the children of Ranelagh Primary and nursery school to design their own playground. She did add that an outdoor swimming pool is not feasible. The children are at the heart of Ranelagh and their opinions matter. We cannot wait to see what 2020-2021 School Council will achieve.

Open Conversation

Newham would like to hear your experiences as a parent from the black, Asian and minority ethnic community living in Newham. This is an opportunity for parents to talk about their experiences of racism in a safe non-judgemental environment.

This event will be held virtually and will last for 1hr 30 minutes.

If you would like to attend the event please send your name and contact details to Strengthening.Families@newham.gov.uk or phone 020 3373 7047.

Car Danger

Parents and teachers are becoming increasingly concerned about the dangerous parking and driving at the beginning of the day.

We need to keep the Ranelagh children safe, but we need your help.

Where possible, please walk to school or park further away from the school and walk in. When driving up Napier Road, please drive at an extremely slow speed as there are children walking into the Red Pitch. We know it's cold, but the safety of your children is our number 1 priority.
