Autumn Term

13<sup>th</sup> November 2020

## Remembrance Day

On the 11th hour of the 11th day in the 11th month, Ranelagh's playgrounds and classrooms fell silent. The whole school closed their eyes and bowed their heads to reflect on all the people who have given their lives to keep them free. Remembering all the brave people who sacrifice their lives is so important ' said Shabila in year 6 . Zinedeen continued, 'They gave up so much so everyone could have a safe future. We should never forget.'

## Home Learning

If we mention the word Home Learning to you, do you want to scream because the way you did something at school is not the way they are doing it now? The vocabulary your child is learning is completely beyond you? You haven't a clue what a dienes cube is? Have you wanted a place you can go to support your child? Well do not worry, help is at hand.

The Tapscott Learning Trust have their very own YouTube channel.

The launch is on Monday 16th November. It has lots of parent friendly support and advice - such as how to help your child read a book, how to say the sounds in phonics and how maths is taught through diagrams and pictures.

Simply tap in Tapscott Learning Trust in YouTube on Monday and you will be greeted with a video of our very own Mr Harris who will introduce TTLT Home Learning Channel.

If you would like any other videos to support home learning, please do email the school.

## PARENT SURVEY 2020

3 weeks to go! Closes 30th November.

[www.newham.gov.uk/childcaresurvey](http://www.newham.gov.uk/childcaresurvey)

Every year the Local Authority conducts a childcare survey to help them find out about childcare needs in the borough so that they can plan services that will work for families. If you have a moment, please can you fill this out.

Thank you for your help!
