Ranelagh Reads

Ranelagh ran the largest live-streamed book reading event ever seen in school on Friday to celebrate World Book Day. Miss Wynne began the event with an extract from *The Lion, the Witch and the Wardrobe* and Mrs Sheikh and Mr Hurrell read extracts from their favourite books too. Mrs Lawrenson added to the proceedings with a reading of Ian Serrailier's *The Silver Sword*. Do not worry if you were not able to catch the readings - Miss Welburn (*The Pigeon Has to Go To School*), Mrs Patel (*Beegu*) and Mrs Choudhury (*Stone Soup*) recorded their favourite books and these were uploaded to Google Classroom.

Alongside this the whole school community dressed as a book character. From the pictures, can you guess who they were?

Year 5- Galileo Galilei

Children used their creative skills to make leaflets about the early astronomy. Galileo Galilei was the first scientist who opened the eyes of the world to a new way of thinking about how our solar system and astronomy works. He advanced the heliocentric theory where he demonstrated that the sun is in the center of our solar system and that the earth and the other planets revolve around the sun.

Returning Loaned devices and CGP Books

Over the coming weeks, we will be asking you to return the laptops and the CGP books that were loaned to you

We can then redistribute these to support home learning if there is a need for children to isolate at home.

Kindness in the Ranelagh Community - Computer Donations

For a number of years Ranelagh has had a close relationship with **East London Business Alliance (ELBA)** a company which builds a connection between businesses and local communities and supports young people in education. They have donated a huge amount of Christmas presents for Ranelagh families and recently donated a number of laptops to help to continue Home Learning. Although, Ranelagh return for all children on Monday we will continue to use Google Classroom within the classroom and for Homework. It was also wonderful that a resident from Ranelagh Road donated a laptop too. We are incredibly lucky to have such a generous community.
