Edible Garden – Reaping the Benefits

Over the last few weeks, the children have been reaping the benefit of all the seeds they planted, just before Lockdown 3. Delicious carrots and Kale and radishes are being picked. Year 6 peeled and diced their white radishes, 'which were so over grown they resembled parsnips,' said one Year 6 child. They tasted extremely peppery and the children enjoyed having a scoff. Year 2 have been labelling the parts of the plant and trying to identify which part of the plant we eat – the root? the stem? the leaf? Next time you're eating vegetables with your children, ask them this question.

As the vegetables were reaped, new seeds were sown, there should be another bumper crop in a couple of months, before the end of the summer term. I wonder what deliciousness the children will be growing. Ask your child about their time in the edible playground.

Napier Lodge Half Term Club

The children in Napier Lodge will be looking after the garden over half term. If you would like your child to be placed in the Lodge over half term, please go to parent pay through the school money app/website.

It is £25 a day and this half term we will be going to the Olympic park and West Ham Park. We will be doing some healthy cooking activities, art and physical exercise. It will be open from Tuesday 1st -Friday 4th June.

Keep Ranelagh children Covid Safe (as much as possible)

Just a reminder if you have taken a Covid test, your child should not attend school until you have the results. Please do remember to take the lateral flow test twice a week. You can order Lateral Flow tests here, [order lateral flow tests](#). You can pick up Covid tests at Covid centres here [where to pick up tests](#).

Plus, if it's your turn to have the vaccine, please do, look here [Book your vaccination](#). Information can be found here. This will make sure that schools remain open and that your children are safe.

Donate Books

A big thank you to Rachel, a neighbour of Ms Scott, who thought of Ranelagh when recently having a clear-out of her children's books.

She kindly donated over 160 high quality and clean books that will be distributed amongst out KS2 classes.

If you have any clean, good quality books that you would like to donate to the school, please bring them to the office in a carrier bag and Ms Scott will sort them out and give them to the classes.

Reward 5

Well done to our Reward 5 winners!
