Jewellery No No

There are many reasons why we ask children not to wear jewellery - For Health and safety and so that their precious items are not damaged.

The health and safety of your children is paramount. This is why we ask that children do not wear jewellery at school. A necklace can be a choking hazard if the necklace is caught. Rings and earring can rip fingers and ears.

Please remind your children to take off their jewellery and leave it at home before they come to school.

All children should wear clothes that are similar in colour to the school uniform. This is so that the children can change their clothes daily.
