Autumn Term

Friday 21<sup>st</sup> October 2022

## Global Action Projects Fair 2022

Save our Planet, Stop Ice Melting, Save our Oceans were some of the protest songs ringing out on a warm Autumn evening in October. Climate change is a topical issue and the children of Ranelagh learn how climate change is effecting the world globally and how humans have made choices that are slowly destroying the planet. Fear not, mums, dads and carers your children are the change; your children are the advocates for saving the planet.

### From Netherlands to London

'Inspirerend' were the words that came out of visitors' mouths as they walked around Ranelagh Primary school. They had travelled from the Netherlands to observe the fantastic practice of inclusion in primary schools. They were amazed at what they saw and sang the praises of the children at Ranelagh who talked knowledgeably about Inclusion and how the a school helps every one to 'Be The Best That They Can Be.'

## Attendance

Research states that having high school attendance correlates with the child's development and achievement. Please make sure you child attends school.
