Autumn Term Friday 25th November 2022

Respecting and valuing the beliefs of others

Year 3 visited the South Woodford Synagogue where they demonstrated what it really means to be a pupil from Ranelagh. They met a talented Rabbi who shared many stories in Hebrew and English. They learnt about why light is important in Judaism through special events. They sang a welcome song called 'Shalom'. Children also took turns to look at one of the oldest Torahs around. Lastly they got a chance to wear the 'Kippah' if they wanted to and respectfully handled the religious artefacts at the synagogue.

'Reach Out' for Anti-Bullying

We launched the Anti-Bullying term with an odd socks day. Children and adults across the school wore odd socks to show that they are all unique but still special. Children will be learning about the effects bullying can have on people and how together we can stand up against it and 'Reach out' to others around us.

Ranelagh's Junior Citizens

Year 6 became even more responsible citizens on Monday after they took part in the Junior Citizens project at the Tate and Lyle Factory in Silvertown. Experts from RNLB and the police, amongst others, delivered 'really fun and informative' workshops, according to one year 6 pupil. Each of the eight sessions taught a team of Ranelagh pupils how best to handle real-life emergencies or problems, from how to stay safe in the water to staying safe online. The winning team demonstrated the most enthusiasm and focus.
