Happy 2023 - a message from the Head of School

Miss Welburn

Happy New Year. I am absolutely honoured to be Head of Ranelagh Primary School; Mrs Lawrenson is still a huge part of this school, steering us forward. She is now Executive Head of Ranelagh and another school within the Trust, North Beckton. Ranelagh is a wonderful place. The whole staff team work incredibly hard making sure your children 'can be the best that they can be'. The roots of Ranelagh (academia, creativity, mental and physical healthiness and computing) allow all our children to be rooted firmly in a curriculum that allows each and every child to thrive. We cannot do this without your amazing contribution and support. Next week, you will be sent the Curriculum Newsletter, this will show you what your child will be learning this term. We are a school which follows a social inclusion model, this means that all our children, no matter their need, learn and play together, learning from each other. Ranelagh's approach has been recognised by other Boroughs in London, and many school leaders have visited to find out about our fantastic practice. As I have said before, this could not be possible without Ranelagh's amazing team. This includes our incredible Admin team, Mrs Rahman, Miss Tasnim and Mrs Tia are always on hand at Reception to help and advise.

Ranelagh were incredibly proud to be part of [The World Reimagined](#) , a ground-breaking, national art education project to transform how we understand the Transatlantic Slave Trade and its impact on all . Our Community Cohesion Lead, Mrs Aisha Sheikh, called on our partners [@Paint the Change](#) The Year 4 and 5 children worked alongside the artist, Matt Dufore, to collaborate on creating their vision of their world reimagined. You can see the final outcome in Reception foyer. An amalgam of the knowledge and understanding the children developed during Black History Month. Can you see who our children learned about?
