4T4 go off to the woods...

With a skip and jump, 4T4 made their way to the Forest School at West Ham Park . What would they see? Beetles, bugs or butterflies? That was the question on all the children's lips. The cold weather did not bother them, they were just eager to explore the wonderful environment of the outdoors. Armed with a range of tools, they took on the gauntlet of building shelters. Very quickly, they learnt the importance of working together, sharing ideas and not giving up when their shelters fell at the first attempt. This was no easy task... but 4T4 were not ready to give up. Some fabulous structures were built and how pleased they were.

And to top it all off ,they get the chance to do it all over again the next week. Some truly resilient learners.

Children's Mental Health 2023

Ranelagh will be celebrating Children's Mental Health week from 6th -12th February. The theme this year is ' Let's Connect.' During the week, children will learn all about keeping mentally healthy by making safe connections with family and friends. The more we talk to those in our community, the better we will feel. So join us in overcoming loneliness and connect with a family or friend. Speak to your child over the coming weeks to find out more.

Healthy Pack Lunches

Please help us to make sure our children bring in a healthy packed lunch. This means that fizzy drinks, bars of chocolate and big bags of crisps should be avoided.

A piece of fruit, a yoghurt and some popcorn is so much easier to prepare but is also good for our children's health and development.
