Remarkable Ranelagh Readers

At Ranelagh, we love reading and encourage all children to read often and widely. We were fortunate enough to host three reading mornings this week and enjoyed welcoming parents into the school. It was a pleasure to have parents come in and share their joy of reading with their children. Thank you very much to those parents who made it this week. One parent said, "Reading with my son is a good way to explore different knowledge."

Brilliant BMXers

Recently, some of our Year 6 students have had the opportunity to participate in BMX training sessions in East Ham. The students worked on their balance and coordination on the bike, while also learning to do jumps and turns on the BMX field. The BMX coach was blown away

by Ranelagh children's positive attitude to learning and the way they all encouraged and supported each other.

If you or your child would like a go at learning bike skills, there's more information on this leaflet or at [COG Cycling](#)

Brilliant Butterflies

Budding artists attended The Greenway Pollinator Trail Workshop, run by Newham Council and funded by The Mayor of London's Rewild Fund. They explored the importance of creating more natural spaces for a range of wildlife. Their artwork will be displayed along the Greenway later in the year.

Friendships Matter

Year 5 children attended an RE conference to promote friendship between children of differing faiths to promote tolerance and respect. This year's theme was 'True Humanity' and children discussed how to create a strong community. "It was so much fun working with the other children from different schools," said Samah.

Well done for earning a Reward 5!
