British Museum Here We Come!

Children in Year 3 and Year 4 have been lucky enough to visit the [British Museum](https://www.britishmuseum.org/) recently, to support their learning in History this half term. Year 3 have been learning about the Romans, and whilst at the museum explored a range of Roman artefacts such as reconstructions of tombs, mosaics, armoury, utensils and coins from the past. Tiana from 3M7 said, "I really enjoyed looking at the glass objects and coins, which were found in a graveyard. It really brought the past to life". Year 4 has been learning about the Vikings and enjoyed exploring the Viking exhibition at the museum.

Remember London is a city full of brilliant museums, the vast majority of which are free to enter, so why not go and explore with your children over the next school break?

Ranelagh Resplendent in Red for Red Nose Day!

Today Ranelagh was awash with colour as we celebrated Red Nose Day. Thank you to all our families for their generous donations. The money raised will help support people struggling with the cost-of-living crisis and tackle issues such as homelessness, mental health problems, and food poverty here in the UK and around the world.

Well done for earning a Reward 5!

Farewell... for now!

Today we wished Mr Jenkins a fond farewell, he is off to support North Beckton Primary School for the next year. The contribution he has made to Ranelagh cannot be underestimated. You will still continue to see him around the school. We thank him for all his work over the past 9 years, his innovations and his impact on digital Ranelagh. Good luck Mr Jenkins.

Attendance

Research states that having high school attendance correlates with the child's development and achievement. Please make sure your child attends school.
