Summer Term

Issue 1

Friday 28th April 2023

Welcome back

Welcome back, I can't believe it is the Summer term already. You were given your child's reports before the holidays and it is wonderful to see your children growing from strength to strength. You will have the chance to speak to your child's teacher about your child's progress next week and the following week. You should have received a google form request. We look forward to seeing you over the two evenings.

For those of you who come in through Year 1 playground, you may have seen the 5Rs tree, made with Kat Hall, a respected artist, and Year 3 and Year 4 children a number of years ago.

The **5Rs** are incredibly important to the children of Ranelagh. By showing these skills, the children will have a strong understanding of what is to be an amazing citizen. Children receive Reward 5 if they go above and beyond in demonstrating each and everyone of these behaviours.

Ask your child what the 5Rs are, what they mean and, more importantly, how they show them.

- Making **RIGHT CHOICES**
- Being **RESPONSIBLE**
- Being **RESPECTFUL**
- Being **RESILIENT**
- Being **REMARKABLE**

This term there are many exciting events happening. Please do go to the Ranelagh website where you can find dates of these plus [Ranelagh Term dates](#). We have the Festival of Voices with the whole of Year 4 raising their voices at Hackney Empire on 13th June, we will have visits to London and Epping Forest. Starting things off will be next Friday's community celebration of The Coronation's Big Breakfast.

Last week, the majority of Year 5 went to Fairplay House for the week and as you can see by the photos, they had a brilliant time

Your school needs you!

Do you have some spare time to give? Are you interested in working with young children? Ranelagh Primary School is a friendly, creative and happy place where children are celebrated for their unique skills and nurtured to become resilient and remarkable learners.

We are looking to recruit volunteers at the school to support our children with their learning. We would like our volunteers to be in a position to commit to being in school for at least one day each week.

In return, volunteers selected will be provided with training and support for the role. This will include training around safeguarding, expectations of a volunteer, supporting children in the classroom.

If you would like to find out more about getting involved, please speak to the office or Mrs Patel for more information.

All volunteers will be subject to a DBS check.

Well done for getting a Reward 5!
