Ranelagh Winners

Religious Education (RE) is an important subject, the children learn about different religions and their traditions, practices and beliefs. Each Year group visits a place of worship for the religion they are learning about. This lets children see 'for real' the similarities and differences between religious practices. All the children reflect on their visit and show their understanding through art, poetry, music and IT. This is entered in to the annual PLACE OF WORSHIP competition

This year, the entries have been spectacular.

A whopping 60 schools have participated with well over 3000 entries. Ranelagh have been incredibly successful this year - with a whopping 7 winners.

The whole of year 1, year 4, Shabiha (year 4), Kenya (EYFS), Noellia (year 6), Musa (year 3), Yaqoob (year 2). Well done for your wonderful creativity.

Up the Creek

Year 5 visited [Creekside](#) this week to extend their knowledge of all things about the River. In the first summer term, they learned about all different types of rivers and could name the major rivers in the world. This summer term, they put on waders and with a very long stick walked up a river, a tributary of River Thames - Deptford Creek. They loved it...
