Get Creative this holiday!

Winter and the festive season is finally here. Why not get creative at home during the holidays and engage in lots of fun activities? Scan the QR code for some great ideas!

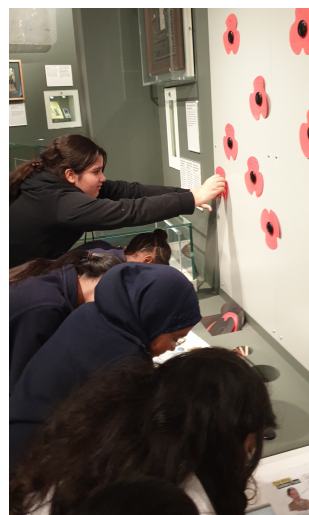

Ranelagh's pursuit in providing all children with meaningful and memorable experiences to enhance their learning has continued this half term with some truly exciting educational visits!

The Nativity story was brought to life for KS1 when they embarked on a Christmas journey by visiting a local Church. It was a fantastic hands-on approach to their learning and the children learnt about how people celebrate Christmas all around the world!

Year 6 visited The National Army Museum, where they had the opportunity to explore artefacts from different periods of history, including World War I. The children enjoyed this immersive experience where they dressed up as soldiers and even operated a tank! They also wrote messages on poppies to pay their respects for the soldiers who lost their lives in the wars.
