Spring Term

19th January 2024

## Junior Citizens

Year 6 children had a fantastic opportunity where they explored ways in which they could keep themselves safe when they are outside in their community. This event was run by the Police Youth Engagement Team where children were taught how to stay safe and deal with real-life everyday problems. This annual event for all schools in Newham is held at the historic Tate and Lyle factory. I'm sure you will remember going there if you were a student in Newham.

"I really enjoyed the workshops. I have learnt a lot about what happens in our community and I know how to stay safe now." said Safir.
