

A DAY IN THE LIFE OF A SCHOOL COUNCIL MEMBER @ RANELAGH!

ALISHBA SALEEM

What is my role in the school council?
I am the Vice-Chair of the Ranelagh School Council and I talk to parents, governors and children about important issues and projects in the school. We also meet with other school council members in our Tapscott learning Trust to discuss our objectives and plans for our projects.

What are your hobbies? I enjoy playing football, dodgeball and other sports. I also enjoy talking to people and making new friends. My mum is on the school PTA so sometimes we work together when there are school events.

What does your role involve?
I am democratically elected by my class so I represent them in my meetings. I plan current projects in school and attend meetings where we discuss issues from the playground and their classes.

What are your current projects?
We are raising money for London Air Ambulance and are planning Red Nose Day 2024. We have planned activities for classes in Mental Health week so all children can support each other. I enjoy working on projects where I can help raise money for charities around the world.
