CELEBRATING MENTAL HEALTH WEEK 2024

Throughout Mental Health Week (6th-9th February), Staff and children pulled out all the stops to make sure everyone at Ranelagh felt mentally supported.

From Assemblies to Voice boxes, children were given every opportunity to talk about good mental health. We created safe spaces in the playground for children to talk about things that made them sad or uncomfortable by having workshops run by the Wellness in Newham Schools (WINS) Lead. We learnt that it was okay to feel worried, but how we deal with this emotion is much more important. By talking openly about our mental health, we were able to challenge the stereotypes and reduce the stigma around poor mental health.

We know that Ranelagh truly is a school that promotes kindness, empathy and inclusion. What a great place to work and learn!

YEAR 6 ORIENTEERING TRIP

Children at Ranelagh enjoyed a brilliant day at the Queen Elizabeth Olympic Park continuing to develop their orienteering skills.

Travelling to the Olympic Park, our students competed against the other schools in the Trust, to navigate throughout the park, with only a map and their teammates to help. The children were given an hour to see how many hidden markers they could find. This is a fantastic family friendly, free activity available to all at the Stratford Olympic Park Orienteering [at the Olympic park](#)

REWARD 5

Well done to Mohammed Adnan Islam for achieving a Reward 5 this week. This was for being a role model to others and completing brilliant work in class.

FESTIVAL OF VOICES LAUNCH

Children in year 4 visited St Joachim's school this week where the Festival Of Voices was launched by Aga Serugo-Lugo. Aga is a renowned singer, composer and clarinettist.

Children were thrilled and thoroughly enjoyed rehearsing their first song together. 'That was fun! Aga made the song easy to remember,' quoted Ameera.

Attendance

Research states that having high school attendance correlates with the child's development. Please make sure your child attends school.
