## Memorable moments at Ranelagh!

Who needs to search far and wide for talent when it's flourishing right here in our own classrooms? Our budding artists in Year 5 proved that they can definitely give artists like Pollock and Kandinsky a run for their money, through their fantastic art work and showed these off at the University of East London last week. Each masterpiece was a window into the rich imaginations of our children, where every art piece became a story into their unique lives.

Reception embarked on a thrilling journey into the heart of nature as they ventured into the enchanting world of Forest School! Armed with nothing but twigs, determination, and a sprinkle of imagination, our little explorers got creative amidst the rustling leaves and dappled sunlight. They retold the story of 'We're going on a bear hunt' in the forest and even created a cave for the bear, proving their sheer determination and architectural skills!

## Dive into victory with our champions of the pool!

Against a sea of competitors, these young swimmers from Ranelagh surged ahead to claim the gold at the Panathlon festival. With determination in their hearts and strength in every stroke, they conquered the waters and emerged triumphant. Their dedication, teamwork, and spirit set them apart, proving that with passion and resilience, anything is possible!
