Words of the week

Blooming Marvellous

We are fortunate to have many children who volunteer during their lunch breaks and playtimes to do additional watering and weeding of the Edible Playground beds. Some of them had the opportunity last term to learn some tips from a professional gardener, thanks to a project with the nearby Abbey Community Gardens. In one visit there, we even got to see the bee hives and learn about how to look after honey bees.

Our Community - Places of Worship

Year 5 recently had the pleasure of visiting a local Gurdwara, where they learned how Sikhs follow their faith and beliefs. The people made the children feel very welcome. Whilst on the intriguing visit, they got to visit the calm prayer room as well as enjoying delicious vegetarian cuisine in the 'langar' room.

Football Champions

On the 3rd of June, some talented footballers from Ranelagh, along with their parents, were invited by Mr Choudhury for a prestigious football tournament at Leyton Orient stadium. Having never played together as a team, these young athletes went in as underdogs. From start to finish they displayed tremendous discipline, determination and teamwork to win not only the competition but also the hearts of all those who came to watch. The boys from across KS2 played beautiful football and displayed excellent sportsmanship.

REWARD 5

Well done for earning a Reward 5!

Things to do in Newham

Take a look at the Newham Heritage Month to see what events are on this month

Attendance

Research states that having high school attendance correlates with the child's development. Please make sure your child attends school.
