Macmillan coffee morning at Ranelagh

In a wonderful display of community spirit, the Ranelagh community gathered on Monday to show their support for the Macmillan Cancer Appeal. A huge thank you to the PTA that helped organise the coffee morning with homemade cakes and biscuits, raising over £100 for the charity.

One parent, reflecting on the event, said, "The cause is brilliant, and I am happy to help." Alongside the fundraising, parents had the opportunity to write heartfelt dedications to loved ones affected by cancer and enjoy friendly chats.

It was a lovely morning, full of kindness and community spirit, supporting a great cause.

The importance of attendance: Working together 'To be the best that we can be'.

At Ranelagh, our aim is for every child to reach their full potential and regular attendance is key to helping every child succeed. Missing school can cause gaps in their understanding and therefore making it harder for them to keep up.

100% PERFECT!	8 days missed	19 days missed
A significant positive impact on your child's education	< 96%	< 90%
	Making it harder for your child to learn.	Significant gaps in their learning and harder to catch up.

We understand that there are times when absences are unavoidable, like illness. When this happens, we are here to support you and your child to catch up. If you have concerns about attendance, please speak to Miss Tasnim in the office. We're here to help!

Let's continue working together to give your child the best chance 'To be the best you can be'.
