Friday 15th November

Children in Need

Tuesday 26th November

Parents Evening
3 :20 pm - 5:00 pm

Thursday 28th November

Parents Evening
4.30pm-6.30pm

Learning through the Role Models and Influencers

At Ranelagh, the curriculum ensures that the children learn from people who represent our community .In October, everyone celebrates Black History and our children held an assembly. Year 6 told the children about a young campaigner who created Choked-up at the age of 17. This inspired Year 6 to up their game for next week's Action project, which will be held in the KS1 playground. Other people who inspired the children were Fatinma Ibrahim- our very own homegrown hero! Year 3 learnt all about Benjamin Zephaniah , the brilliant poet, who has written a range of books and poems the children are familiar with. Further up the school, the children learnt about the achievements of Sophia Dannenburg who became the black female to climb Mount Everest. Newham council is running lots of events to celebrate Black History Month. Click on the link to find out more at [Newham Black History](#).

Year 6 Parent Sharing Assembly

Year 6 performed to parents on Thursday to share their knowledge and understanding of all they have learned this half term. Children took on the role of detectives to discover the gruesome ending of someone at Ranelagh! Who could it be? All of this was based on the book the children were reading -*High Rise Mystery* by Sharna Jackson . Blinded by the light, they went on to talk about the periscopes they made . The assembly concluded with a plea to parents and carers to change their habits to make a better world. They told the parents all about climate change and the effects of greenhouse gases and ended with the famous slogan ' If you want to make the world a better place . Take a look at yourself, and make a change'

Word of the Week

KS1- Caring

KS2- Considerate

Reward 5

Well done to our Reward 5 winners!

Kew Gardens

Year 3 visited Kew Gardens. Children had a great time, mapping out their route within the garden and searching for the human and physical features too. To see more of what they got up to please [click here](#)

Attendance

Research states that having high school attendance correlates with the child's development. Please make sure your child attends school.
