Autumn Term **Friday 15th November 2024**

Ranelagh began its week with children coming together in a moving ceremony to honour Remembrance Day on Monday 11th November. The school's youngest members displayed a deep understanding of the importance of this day, paying tribute to those individuals who sacrificed their lives to bring peace to their country with a two minute silence at 11 o'clock.

Ranelagh Primary School's Remembrance Day observance was a meaningful event, teaching children not only about history but also about respect, empathy, and gratitude.

Science at its best!

Ranelagh Primary School's Science Week has certainly inspired a new generation of scientists, fostering curiosity, creativity, and confidence in the pursuit of scientific knowledge. Ranelagh Primary School buzzed with excitement this week as children and teachers alike came together to celebrate Science Week. It was filled with fun, hands-on activities that brought science to life and encouraged young minds to think like scientists! One parent shared, "I am very impressed with the children's scientific knowledge and their enthusiasm. It is wonderful to see how excited they are about science learning!"

Odd Sock Day

On Tuesday, Ranelagh Primary School was bursting with colour, creativity, and mismatched socks as we celebrated Odd Sock Day! This fun-filled day encouraged children and teachers to proudly wear their brightest, quirkiest mismatched socks as a joyful reminder to embrace what makes us all unique. The day focused on promoting kindness, inclusivity, and respect for others, in line with Anti-Bullying Week. In classrooms, teachers led discussions and activities on the importance of celebrating each other's differences and supporting friends. Children were encouraged to share what makes them unique, which led to thoughtful conversations about individual strengths, talents, and interests.

Word of the Week

Remember

Reward 5

Well done to our Reward 5 winners

These children have demonstrated remarkable behaviour and learning .

If you want to make the World a Better Place…

What a brilliant way to end the term with the rallying cries of Save Our Planet. At Ranelagh , we make sure our children learn how to have their voice heard . Ranelagh came together with the whole community,

Raising awareness of how we can make a change to help our earth
