Carols around the Christmas Tree

19th December

Half Term

Monday 23rd December - Friday 3rd January. Children return Monday 6th January 2025

Word of the Week
KS1- Patience
KS2- Tolerance

Pudsey visits Ranelagh

It's that time of year again when the spots are out and Pudsey Bear comes to visit. And, of course, he visited Ranelagh with great excitement. The theme this year was to be SPOTacular! The children and school were awash with a range of spottiness, celebrating Children in Need day. The day was filled with fun, cheer and laughter.

But we did not forget why we were raising money for this charity and that was to remember those who are not as fortunate as us.

Thanks to everyone's creativity and generosity, we've raised an incredible amount to support children facing challenges. Together, we've shown a little kindness (and a lot of spots!) can make a big difference!

Hot Chocolate Morning blows Storm Bert away!

On a cold and wintery morning, there is nothing more satisfying than a cheery mug of hot chocolate. The School Council showed their caring side by organising this event to raise money for cancer research. This I know is a very important cause and close to many of our hearts. Parents and children alike were able to buy a creamy cup of goodness and knowing they were supporting a very worthy cause.

Well done School Council for epitomising the true character of being part of the Ranelagh community.

Reward 5

Well done to our Reward 5 winners. These children have demonstrated remarkable behaviour and learning .

Parents Evening

It was great to see so many of you at Parents Evening. The feedback from you is incredibly important in moving Ranelagh forward. Strong parent and carer relationships are so important for the progress of all your children. And as you know, together we can make our children *the best that they can be.*

Attendance

Research states that having high school attendance correlates with the child's development. Please make sure your child attends school.
