Ranelagh Goes Red for a Great Cause!

The school was awash with red today to support Red Nose Day - a day filled with fun, laughter, and generosity. Everyone joined in by painting red noses, wearing themed shirts and accessories, and most importantly, raising money to support families in need. This year marks 40 years of Comic Relief making a difference, and our school community played its part in celebrating by going big and feeling good together! Through your kind donations, we raised an impressive £100.00 which will go towards helping those in need. The School Council would like to extend a huge thank you to everyone who contributed. Your generosity and enthusiasm made this day extra special, and together, we've helped to make a real difference!

A Dancing Dog and a Baby in a KS1 Classroom?

This week, KS1 had an unforgettable experience in their science lessons as they welcomed two very special visitors! As part of their topic on *Animals, Including Humans*, the children had the opportunity to learn firsthand about caring for both babies and pets. Ms. Jacquot brought in her dog, Bailey Boo! The children learned all about responsible pet care, including how to safely approach a dog, what they eat, and why training is important. Bailey Boo stole the show by performing some impressive tricks, including sitting, staying, giving high-fives, and even dancing! Later in the week, the excitement continued when Frances and her baby, Gem, visited the classroom to help the children explore how parents care for their young. The children were able to ask brilliant questions and enjoyed this hands-on learning experience. A huge thank you to Ms. Frances, baby Gem, Ms. Jacquot, and Bailey Boo for making Science come alive for KS1!

Forest School Adventures – Welcome Spring!

Classes G1 and G3 have been thoroughly enjoying their trips to Forest School, where they have been using natural resources to create beautiful forest art through painting and collage. As they explore the woodland, children have been spotting the early signs of spring, from budding flowers to birdsong, and observing the wildlife around them. It has been a fantastic opportunity for them to connect with nature, unleash their creativity, and learn about the changing seasons firsthand.

Well done for getting a Reward 5!
