Larger than Life Literacy Characters Living at Ranelagh...

The world of books came to life as Ranelagh celebrated World Book Day with excitement and enthusiasm. From the wizardry of Harry Potter to the magical charms of Elsa, pupils and staff at the school took on the weird and wonderful characters of books they were familiar with (and some not so familiar)

Reading Workshop

Whether you're diving into a new adventure, re reading an old favourite- books have the power to entertain, educate and elevate. Let's make reading a part of our daily lives and spread the love of books. Visit the local library, read with your loved ones or just share your favourite read with friends. This was showcased by the endless support of our parents and carers during our reading week.

The Awards come in thick and fast....

Once again, Ranelagh reigns supreme when it comes to inclusive practice. In February, the school was assessed for retaining its Flagship Status for Inclusion. The assessor was extremely impressed with everything the school does to ensure all pupils are included. This award is important to us as we could not have done it without the support of our staff, parents and pupils! Ranelagh also went to the top of the class by gaining a Gold Status award for Religious Education. [See report here](#)

The RE assessor spoke to some of the children and staff who were incredibly eloquent and talked about their knowledge of religions and other viewpoints. The children talked about how everybody can have different opinions and different beliefs and live peacefully together, A shining example of our community!
