The circus comes to town....

We were truly privileged when some of our students had the exciting opportunity to visit Zippo Circus at Central Park. It was a wonderful day filled with fun, laughter, and unforgettable memories.

We were amazed by the talented jugglers who tossed balls, rings, and even fire, really high into the air with their dazzling skills. The acrobats took our breath away as they flipped and soared above the ground, while the strongmen, with their muscles, impressed everyone by lifting heavy weights—and even each other!

The big top was bursting with colour, lively music, and lots of applause. The children cheered, clapped, and beamed with delight throughout the show. It was an experience none of us will have for a long time to come!

Top of the League...

With their bats held aloft and ready to pitch, Ranelagh children enjoyed the Baseball game with great gusto. They showed determination, grit and skill beating off a number of teams within the Trust and Newham. Although we know it is not the winning that counts but the taking part—we did feel a burst of pride when Ranelagh were in the top 3.

As the weather warms up, it's important for everyone to stay safe and comfortable in the heat!

Please remember to send your child to school with a water bottle to help them stay hydrated throughout the day. A sun hat and sunscreen are also great ways to protect against the sun and during outdoor play.
