Festival of Voices – A Celebration of Hope and Harmony

We are incredibly proud of our Year 4 class who took part in this year’s Festival of Voices—a joyful celebration of music, teamwork, and community spirit. Held at Hackney Empire, the event brought together children from 7 Newham schools to perform in one powerful and uplifting choir. Our children had been rehearsing with dedication and enthusiasm in the lead-up to the big day, learning a wide range of songs that showcased different musical styles, cultures, and messages. From catchy pop anthems to moving ballads and rhythmic world music, every song carried a story—and the children told each one beautifully. On the night, the energy and excitement were electric. Watching so many young voices come together in harmony was truly inspiring. Children sang with confidence, joy, and pride—showing not just their musical talents, but their ability to collaborate, listen, and support one another. We’d like to thank our Year 4 staff team and Mr Murdoch for preparing the children so well, the families who supported us in the evening, and of course the children themselves for representing Ranelagh so brilliantly. Their passion for music and their sense of community made the Festival of Voices a night to remember. 🎵 Well done, you were amazing! 🎵

Year 6 Explore Online Safety with Powerful Theatre Experience

As children are accessing the internet at younger ages, helping them navigate the digital world safely and responsibly is more important than ever. At Ranelagh, we are committed to supporting our pupils in developing the knowledge and confidence they need to stay safe online—and last week, our Year 6 pupils took part in an unforgettable learning experience to support that goal. We were delighted to welcome Little Fish Theatre and their acclaimed production FRICTION into school. The dynamic and interactive performance allowed our children to explore the challenges of online friendships, peer pressure, and digital behaviour.
