Warming Up the Playground!

The School Council's hot chocolate morning was a steaming success and a wonderful way for our new council team to kick off their very first project together. The chilly weather made it the perfect day for a warm, comforting treat.

It was brilliant to see so many families wrapping their hands around a cup of hot chocolate and sharing a cosy moment together. One pupil summed it up beautifully: *"I love this because we get to enjoy a delicious drink with our family and friends and help support the School Council's project."*

A huge thank you to all parents and carers who came along, braved the chilly morning and supported the School Council's hard work. They are already buzzing with ideas, we can't wait for their next project!

Bringing history to life with our very own kings and queens.

Key Stage 1 enjoyed a truly majestic Royal Day on Wednesday! The children arrived dressed as kings, queens, princes, princesses and knights bringing the school to life with crowns, capes and plenty of royal sparkle.

As part of their learning about Kings and Queens, the children explored famous monarchs from history. A special highlight of the day was meeting 'Queen Asantewaa' of Ghana, wonderfully portrayed by one of our own queens. The children were captivated as they learned about her bravery, leadership and importance in Ghanaian history.

At lunchtime, the hall was transformed into a royal banquet, where our young kings and queens enjoyed a feast fit for royalty. It was a fantastic celebration and a memorable way to bring history to life!
