## World Book Day – Celebrating the Joy of Reading

World Book Day took place on Thursday 5th March and was a wonderful celebration of books, stories and the joy of reading. World Book Day aims to change lives through a love of books and reading, and this year feels especially meaningful as it is also the **National Year of Reading**.

To help inspire a lifelong love of reading, parents were invited in to see how their children learn to read and to choose a book to take home and keep. Our aim is simple but powerful: to ensure every child has a book of their own and experiences the joy that reading can bring.

Throughout the day, classrooms were filled with exciting activities. From storytelling, reading for pleasure and art linked to favourite stories, the children enjoyed exploring books in many different ways. Reading truly was fun for everyone.

One of the most treasured parts of the week was welcoming parents into school to read with their children. Sharing stories together created a calm and special start to the day and is always a highlight for both children and staff.

Our Thursday assembly was also brought to life, with children and staff dressing up as their favourite book characters. It was wonderful to see such creativity and enthusiasm across the school.

World Book Day reminds us that reading opens the door to imagination. Thank you to all the families who supported the day and helped us celebrate the magic of books.

## Ranelagh has once again been recognised for “Superb Inclusive Practice”

We are delighted to share that Ranelagh has once again been recognised for its exceptional inclusive practice following our latest review by the Inclusion Quality Mark (IQM) in February 2026.

The review celebrates the school’s strong commitment to making sure every child feels welcomed, supported and fully involved in school life and learning. The [report](#) highlights Ranelagh’s inclusive approach, where all pupils learn together in mainstream classrooms and are supported to take part in lessons in ways that work best for them.

The inspectors were particularly impressed by the collaborative culture within the school. Parents, staff and pupils also spoke positively about the school’s inclusive ethos and supportive environment. Pupils described feeling safe and valued, while parents praised the personalised support and strong relationships built with staff.

This recognition reflects the dedication of the entire Ranelagh community to ensuring that every child is heard, supported and able to succeed. You can read the report [here](#)

### TTLT Mobile Phone Statement for Children

As you know, our schools do not allow children to use mobile phones during the school day. We know there have been lots of discussions about this in the media, and a consultation is currently being run by the Department of Education on the use of social media.

Therefore, we wanted to make sure that everyone was clear as to our practices for children and mobile phones - [TTLT Mobile Phone Statement For Children](#)

Thank you, as always, for working with us, ensuring that we are working together, achieving for all.
