Curriculum News Summer Term 2026 KS1

Homework

Homework is handed out on **Friday and handed in on Wednesday**. Please support your child with completing their homework. Please encourage your child to read for at least 15 minutes every day.

Children have reading journals to complete with reading activities and are awarded a Reading Certificate for every 6 activities.

If you need to go through the Homework sent home with the class teacher, Please see them at the start or end of the day.

General Information

Children in **G1** have PE on Tuesday and Thursday

Children in **G2** have PE on Tuesday and Friday

Children in **G3** have PE on Tuesday and Friday

Please ensure your child brings in a PE kit that includes a **white top, dark bottoms and black trainers**.

English

Reading:

All children: Cinderella, Burglar Bill

Year 1: Strega Nona, Where the wild things are.

Year 2: Ming Lo moves the mountain, Melric the magician who lost his magic, Beauty and the beast

Writing:

Re-telling stories, creative writing, writing about my own experiences.

How you can support your child's learning

- Listen to your child read daily, it's an excellent way for children to develop listening and reading skills.
- Read a story together and discuss the important events or their favourite character or part.
- Encourage your child to write short sentences independently.

Maths

Year 1:

Fractions

Geometry- Position and direction

Measurement- Time

Year 2:

Fractions

Measurements- Weight and volume

Mass and capacity.

How you can support your child's learning

- Complete the number fluency homework.
- Encourage your child to look at clocks/watches and tell the time.
- Measure the weight of different objects in their house.
- Practice fraction by cutting up fruits and vegetables.

Science

Our topic this term is Plants.

Year 1

Identifying plants.

Parts of the plant.

Year 2

Evergreen and deciduous trees.

Functions of a plant.

Seed dispersal.

How you can support your child's learning

- Take a walk outside with your child – around the yard or in the park and encourage them to talk about what they observe.
- Labelling parts of the plant. Identifying different plants. How do plants grow?

Computing

This term children will be learning about how to use a computer.

Year 1:

Children will continue to develop their keyboard and mouse skills. They will also be learning how to use Google Classroom to complete their learning.

Year 2: Learning about how to find out information online. They will be using Google. Children will also be creating a database and creating investigation.

Ranelagh Curriculum

Children's creativity will be developed through our Ranelagh Curriculum where they will be learning about 'Our World' and 'Explorers'.

- You can help your child by looking at maps and finding the continents and oceans on it. You can take a walk in the park and identify what they can see.
- Talk about the lives of the people around them and their roles in society.

This term, in RSHE, the children will learn about themselves and others around them. They will be looking at different family types and talking about their own family.

Year 2 will be naming parts of the human body.
