1. Constitution

1.1 The Local Advisory Boards (LABs) are committees of the Trust Board. LABs operate within the delegated authority defined annually by the Trust Board in the Scheme of Delegation.

1.2 Each school in the Trust will have its own LAB.

2. Membership

2.1 The LAB shall have a minimum of five members (nine preferred). The Term of Office for a LAB member is four years (except that of the Head of School who is ex-officio). LAB members can put themselves forward for reappointment at the end of their term for a maximum of two terms. Any additional term will require consideration and approval by the Trust Board. Parent and staff member appointments will still require an election.

2.2 The membership of each LAB shall be as follows (unless the Trust Board resolves otherwise):

- Two elected parent members - parent members must not be employed by the school for 500 or more hours per year
- One elected staff member
- The Head of School
- Up to two Trust Board appointed members
- Up to three members co-opted by the LAB

2.3 At the last meeting of each academic year, the advisory board will elect a LAB member to act as Chair of the LAB (the 'Chair') for the following academic year. The Trust Board will approve the appointment. The LAB will elect a temporary replacement from among the members present at the meeting in the absence of the Chair. The Head of School and the staff LAB member may not act as the Chair.

2.4 The LAB shall ensure that a clerk is provided to take minutes at meetings of the LAB.

2.5 The LAB may invite attendance at meetings from persons who are not LAB members to assist or advise on a particular matter or range of issues. These attendees will not be entitled to vote.

2.6 Any Trustee may attend a meeting of the LAB, but will not have a vote.

2.7 Meetings will be quorate when three or one third (whichever is greater) of the LAB members are present. A meeting can continue in the event of being inquorate, but no decisions can be made. Decisions can be made after the meeting via email. LAB members can attend meetings virtually (eg Zoom) and will be included in the quorum.
