Summer Term 2

Wednesday 15th July 2026

An Exceptional School - Thank you for everything

What a year it has been. Ranelagh continues to grow from strength to strength, with *inclusion* being high on the agenda. The Department of Education has asked schools to ensure that all children, no matter their need, are included in mainstream school. This is such a positive move and one which Ranelagh has been championing and has been recognised as 'all learn together with good role models, understanding of the needs of pupils and empathy. There is a culture in place of always wanting to do one's very best for all the pupils. ...stated the assessor for the Inclusion Quality Mark. Ranelagh has also been asked to be a school for inclusion for the London Regional Improvement of Standards and Excellence (RISE). This will continue into next year.

This is such an accolade for the incredible hard work of every single member of the Ranelagh team. It is going to be extremely difficult to say farewell to this amazing team. Your children are always central in every decision they make, striving to allow your child to be the 'Best that They can be'. I want to take this opportunity to thank them all.

It has been an absolute privilege being part of this amazing community, the families, the carers and of course, the children. I have been tidying out my office (a huge feat!!) and have come across so many amazing memories. All the children at Ranelagh have the opportunity to have memorable experiences, this year there have been visits to galleries, all the parks of East London, working with London Fashion College, Tower of London, running the mini marathon and of course their visits to West ham park for Forest School. All the children have the opportunity to perform, to have their voice heard and to show their talents. This was seen at the Year 6 end of term performance, of course you have the children who absolutely were born for acting, but it is those children who bristle at the thought. This is what Ranelagh is all about. A platform where children feel completely safe to do things outside their comfort zone, take a risk and thrive.

This again was seen at the end of term performance - lifting their voices to sing. In these loud times of shouting each other down, isn't it amazing that the children drown this out with songs about Peace and Love. Songs that will stick with them.

It is for the final time that I thank each and everyone of you for supporting the school and your children over the years. It has been fabulous and I am so lucky to have led this exceptional school. Mrs Omole will see you all in September, have a lovely holiday. Much love Miss Welburn
