## Year 5 Launch Their Very Own Space Race

by Year 5 reporter - Skye Brown

On Thursday 8th February, 5T9 launched their very own bottle rockets in their very own Red – Pitch Space Race.

Year 5 have been learning about the Space Race as part of the Ranelagh Curriculum. Their computer genius teacher, Mr.Jenkins and Mr.Mason both inspired the class to design and make their own rockets

One group's rocket went so high, however when it came to Skye, Leona and Imani's group there was a pipe leak which made the rocket fall with a flop straight onto the ground.

"It was a great afternoon," said Leona and Imani, "but we were very disappointed that our group's rocket did not work and that we did not win the Space Race."

Aerodynamics had a lot to do with the success of the rockets launched - a clue to all Year 4 children for next year.
