Super Cycling Club

Nine super cyclists braved the wind and rain last term to cycle to East Ham along the famous Greenway. Ranelagh's after-school bike club has been running over the last term. Initially, they practised their cycling skills in our playground and then ventured onto the Greenway. The Greenway, which is on our doorstep, is built above the famous London sewage system designed by Joseph Bazalgette in the 19th Century. Cycling is an amazing way to explore our local area and its amazing historical past.

Without the support of parents and carers, this would be impossible.

Ranelagh is amazing; this is because of our remarkable collaboration with you – our parents and carers. We, together, have one vision for our children and that is *To Be The Best that You Can Be*.

Last term we were given yet another award -the LPPA (Leading Parent Partnership Award). It stated that Ranelagh is like a big family and that the PTA is a considerable strength. In the report it stated, 'The PTA is unusually strong, effective and supportive, not only of the school but also of each other. This strength is enhanced by the school's weekly Tuesday coffee mornings for parents where anything and everything can be discussed.'

If you would like to join our wonderful PTA, please get in touch with Aisha Sheikh, who is in the playground at the end of each day or drop in for tea and cake on Tuesday morning.
