## Welcome Back

A very warm welcome back to the new and exciting school year! I hope you all enjoyed the holiday and the weather.

This year looks to be even better than the last. The Ranelagh staff have been planning some amazing learning opportunities for the children which will engage their imaginations, making their learning enjoyable and memorable. I'm sure that you will have noticed the progress made to the new building extension. The floors are now in and I saw a big delivery of bricks arrive yesterday for the walls. The improvement works inside the school have also continued. The Top Hall has finally been redecorated (see overleaf) - removing the tell-tale signs of where the roof, windows and brick work used to leak - now a thing of the past! We also had new fire lobbies installed- ready for when we have the long awaited lift in the new build.

As it is the start of the new school year, may I take this opportunity to share with you Ranelagh's school vision:

***Every individual will achieve their full potential. That learning will be rich in meaningful and memorable experiences preparing them to be life-long learners, able to adapt positively to the challenges of the future.***

Please feel free to contact me, the Leadership team or any member of staff at any time. We are in the playgrounds at the start and end of the day, or you can always contact the school via email or telephone.

With warm regards.

Mrs Lawrenson

## Attendance

It is extremely important that your child attends school every day. A prize will be given to every child who comes to school every day.

## HOUSE POINTS

Each week children are awarded house points for outstanding learning and amazing behaviour. New Captains will be announced shortly.

By the end of the year, the new building will look like this. It will have amazing facilities for nursery and Reception, it will include wraparound playgrounds twice the size it is currently.
