

Vision Statement

Every individual will achieve their full potential. That learning will be rich in meaningful and memorable experiences preparing them to become life-long learners, able to adapt positively to the challenges of the future.

To be the best that you can be!

Through/Aims

- Providing opportunities that are challenging and aspirational
- Providing learning that is enjoyable, relevant and in context
- Providing a safe, caring school that promotes good citizenship through the 5Rs
- Providing teachers who lead the way, are innovative and inspirational
- Promoting, facilitating and enabling the inclusion of all children
- Encouraging questions, debate and enquiry to make informed decisions
- Promoting a sense of self and others as a valuable member of the community
- Encouraging positive choices about their own physical and mental well-being
- Providing a curriculum that is broad, balanced, creative and rooted in experiences that allow them to be the best that they can be.

The 5Rs

We aim to be:

Remarkable
Responsible
Respectful
Resilient

And make the

Right Choices
