A Walk Down A Victorian Masterpiece - Geography in Action

Children in year 5 walked the Greenway to find evidence of the Victorian period. The Greenway was the magnificent sewerage system designed by Joseph Bazalgette in 1860 after the **Big Stink** spread through London. The smell was so awful that parliament had to be closed buildings.

Children used maps to locate places and thought how it would have been during this period of history.

Well Done to our Remarkable Parents

Parents completed their positive parenting course at Ranelagh. Ranelagh's works in partnership with parents to ensure that their children get the best start in life. The final part of the course was celebrated this with certificates for their brilliant participation. Well done to our fantastic parents!

Well Done

Every week we will print the names of those children who have achieved in either their work or their good conduct and behaviour around the school.
