Pupil Parliament

Team London Young Ambassadors is the Mayor's school volunteering programme which connects young Londoners with their communities through social action. All London schools were eligible to apply for a grant of £1000.

On Friday 6th December, members of TTLT Pupil Parliament had an opportunity to present their pitch for the grant, along with 23 schools from around London, to support their innovative social action project - 'Mental Health' - after being selected by the panel.

It was an amazing opportunity for the children to learn about the importance of doing something bigger and better for their local community. By pitching to the panel the children gained experience of public speaking and team work. The questions section needed them to think on their feet but also plan and anticipate the sort of questions the judges might ask based on their project and their pitch.

It was an extremely proud moment for us to see the children confidently talking about their chosen project and its impact and receiving great feedback from the panel.

Vikings Invaade Year 4

Year 4 were overtaken by Vikings last Friday. They learned why the Vikings were great invaders and how to bake delicious bread using a Viking recipe.
