### We Strongly Believe that Ranelagh's Debating club were fabulous!

3 excited teams from Ranelagh's debating club took part in the first round of the Debate Mate primary debating league at Upton Cross on Monday. For many of our young debaters, this was their first time debating outside of our school. They were fantastic and represented Ranelagh magnificently.

## Catch it, Bin it, Kill it!

As a parent, you can't help but worry about the safety of your children. So it's natural that as stories about the coronavirus increase, parents worry about whether their children could be at risk.

There are things we do know — about this virus and other similar viruses — that can help us keep our children safe and well.

**Catch It** - Use a tissue

**Bin It** - Place it in the bin

**Kill It** - wash your hands with soap for as long as you sing the alphabet.

## FIND YOUR BRAVE

Bravery comes in all shapes and sizes and is different for everyone. Bravery can be about sharing worries and asking for help, trying something new or pushing yourself outside your comfort zone. **Finding your Brave** can build your confidence, self-esteem and make you feel good about yourself.

This week School Council have been asking children to find their Brave as part of Children's mental health Week. See more on Ranelagh's website.
