

24th March 2020

Dear Parents and Carers,

Thank you for your support at this unprecedented time for the whole country.

Following yesterday's announcement from the Prime Minister, it is essential that only the children of key workers are brought into school during this period. This is to ensure that we are doing our best to limit the spread of the virus to families and staff.

For those of you entitled to Free School Meals, please note that we are waiting for the council to advise all schools of their plans. As soon as we are advised, we will be passing on this information to you.

In the meantime, if you need support please contact the Trust's Helpline on **07944 224 266**, Monday to Friday 10am-3pm. School staff will be on hand to signpost parents to external services and offer help where possible.

Together we will get through this very difficult time.

Best wishes,
