

Welcome Back

A message form the Head teacher

I am absolutely delighted to have Ranelagh Primary and nursery school up and running again. Organisation may have changed, but the vision of Ranelagh has not. We want your child 'to be the best that they can be'. The children are being eased back into school life with a curriculum focussed on developing mental healthiness, physical healthiness, creativity, computing skills and to develop their academic skills. I want to thank you for all your patience and genuine support over the last 6 months. Your child's teacher will be sending the curriculum newsletter, this will give you more detail about your child's learning. All communication to you will be via text message and the Ranelagh website www.ranelagh.newham.sch.uk. Please make sure that we have your correct details.

As much as possible, we will try to keep events for parents so that you can see the remarkable learning at Ranelagh - however these will be done virtually. The Trust is developing programmes of study for you children should they need to isolate or if we need to lock down again. At school we are instilling children to wash hands and keep socially distant where possible, this is so that they begin to do this automatically. Please continue to follow Public Health guidance. Newham is a chosen borough for test and trace app- please do upload this app and put in the number sent to you. Anything that can help control the spread of the virus is a great thing.

Brand New Nursery

I am also very excited to open the brand new nursery and refurbished Reception classes. They look incredible and will inspire exceptional learning in EYFS.

I cannot wait to show you around in the very near future.

Gold Mark for Geography

Geography at Ranelagh primary and nursery school has been recognised by the Geographical association as amazing. We have received the prestigious Gold standard. A huge thankyou to our Curriculum Leader , Mr Hurrell who spent his holidays submitting our fantastic learning.

Dates for your Diary
