## Geography Gains Gold - Ranelagh receives another prestigious award

Ranelagh Primary and Nursery School has been awarded the Primary Geography Quality Mark. The Geography Quality Mark is a prestigious award which recognises and promotes quality and progress in geography leadership, curriculum development and learning and teaching in schools. Due to the amazing learning the children do at Ranelagh, we were awarded Gold.

When analysing the quality of geography at Ranelagh the assessor noted, "Geographically meaningful and memorable contexts are provided which allow pupils to accumulate varied learning experiences. There is a very good range of fieldwork done and the children get out and look at the geography of their local area."

One of the main reasons Ranelagh was awarded this amazing honour was the many opportunities children are given to explore and understand their local area. Children are able to geographically explore the very streets that they live on. Knowing their place in an ever-changing world has been a key priority of developing geography at Ranelagh over recent years and this was an incredibly strong component to this achievement. Mr Hurrell, Ranelagh's Curriculum Lead, was overjoyed with the news. Ranelagh's enthusiastic children echoed these sentiments,

"It is important that we learn geography because we need to learn about our surroundings and what might happen to them in the future." stated a Year 6 pupil  
"My favourite way of learning geography is experiencing it in real life and exploring real places." said another. From the edible gardens in our playground, to the local streets of our community, to being a Forest school, Ranelagh children certainly know their geographical place in the world.

## Warm Clothes and Waterproofs

Please can you make sure that your child wears a jumper or a cardigan. Due to the windows being open for ventilation ( as part of our risk assessment ) it can sometimes become chilly in the classroom. We will still continue to do as much learning as possible in an outside space too - so a waterproof jacket is needed.
